TO RENEW ITEMS

1. On the Calaveras County Library website at www.calaveraslibrary.com click on the **LINK+ My Account**.
2. Select the items you wish to renew by checking the box beside the title. *Note: You cannot renew the items any sooner than three days before and no later than two days after the original due date.*
3. Click the **RENEW** button. This does not automatically renew your item(s). It forwards a request to the loaning library on your behalf. You must check your **LINK+** account at a later date to see if the renewal request has been approved.
4. When you check at a later date, your request will have one of these item status notifications:
 - **New Due Date** — renewal was approved.
 - **Renewal Pending** — request still in process, check again at a later date.
 - **Renewal Denied** — renewal not approved. Items must be returned by original due date to avoid the \$1 per day overdue fee.
